About ACB

The Afghanistan Cricket Federation was established in 1995. It was granted affiliate membership by the International Cricket Council (ICC) in 2001 and this year marked the beginning of an incredible journey in the history of sports, and subsequently being granted associate membership of the Asian Cricket Council (ACC) in 2003.

On 22nd June 2017, Afghanistan was awarded Full Member status during ICC's Annual General Meeting in London, United Kingdom. This was ACB's longstanding goal and it only took Afghanistan four years to be elevated from Associate to Full Member. In addition, ICC awarded List A status to ACB's three major domestic tournaments. ACB was also awarded Test status by ICC in 2017 opening a new chapter for Afghanistan to play test cricket against Full Member nations in the years to come. Afghanistan is currently in one of the top 10 positions of International Cricket Council and Afghan players are part of top 3 ICC rankings which indicates the overall performance and contribution of the team and players in World Cricket. Worth to mention the naming of Rashid Khan as player of the decade by ICC on December 2020. Afghan players are participating in big cricket leagues all over the world which shows the ability of ACB in producing great talents to the world of cricket and this also brings great interest of the game being watched all over the country. Afghanistan is the fastest growing cricket team in the world. The story of the struggle and aspiration of young Afghans taking up a sport through war and destruction is worth retelling again and again.
